Monthly Meeting at Cochran Mazda

Thank you for your continued support and participation in the club. Let's be ready for ZOOMING in 2022!!!

2022 WPMC Dues by Vickie Buzzelli

A new year of zooming is upon us. The summer of 2021 was one to remember. Are you ready to get out there on the open roads and zoom and start new memories? Now is the time to renew for 2022. Many of you paid your membership dues at the Christmas Party. For those of you who have not yet paid the 2022 dues, please pay by mail. The process is as follows: 1. Make check payable to "West Penn Miata Club" for the amount of \$30.00 2. Sign a WPMC Terms & Condition form. If you have already signed a Terms & Conditions in the past, it is on file and there is no need to sign another. Remember your spouse or whomever will be riding with you, must also sign a Terms & Condition form. Every time your rider changes, a new Terms & Conditions form must be completed. You do not need to fill out a new membership form yearly unless your information changes (e.g. address, phone number, new vehicle, license plate). We need to be able to identify you in your car and also send you current information. Please send signed check and necessary forms to:

West Penn Miata Club
c/o Vickie Buzzelli
208 Adams Pointe Blvd, Suite #7
Mars, PA 16046

Once your check and necessary signed forms are received, you will receive a new membership card and receipt in the mail. Your name will then be included in the updated membership list. All dues must be renewed no later than March 31, 2022

Membership Applications and Terms & Conditions forms can be downloaded at:

2022 CRUISIN & ZOOMIN SEASON

BY LINDA ZIMLIKI

The temperature outside is 28 degrees as I write this article. I'm hoping that by the time of our monthly meeting, it will be warmer. At this moment I'm still working on the schedule. We should have a great year. The new schedule will be revealed at March's monthly meeting.

Zoom Zoomm Zoommm!

Miat a Cruisin!

by Jim Blok, President

We're getting ramped up for another great year of driving FUN!! I am fairly new compared to many in the club, and am ready for the excitement of the coming spring with my Miata.

As I think about it, I can only compare it to Skiing and Snowmobiling in northern Michigan years ago. Even though winter was cold and long, we couldn't wait for the first snowfall. As I have always said, those winters were much shorter if you played in it. Having said that, I find the spring, summer, and fall can be stretched out by enjoying our favorite hobby. I have thought many times about buying a sports car to just enjoy on sunny days in the summer. After researching almost every British sports car ever made, I made the decision I wanted to enjoy it, not make it a project every time I went for a ride. I realized it was a huge challenge to find that rust free car, not to mention electronics that worked. The last one I found actually met those requirements. Upon further inspection, I asked the seller if it leaked. His response was if it's not leaking don't try to start it. It's probably out of oil!

Hence, I began looking into the car that would give me the thrill and enjoyment I was looking for. There was only one choice without breaking the bank. Enter MIATA! Most

of you have lived this as well and we landed on this great car for the same reasons. Even though it is an excellent value in the sports car world, it finds itself on some of the most prestigious lists. It truly says something when it is compared in many ways to sports cars costing 2, 3 or more times its cost. I guess we can all take credit for being savvy enough to seek out this world class sports car.

Thankfully I'm now one of the cool kids finally sitting at the cool kids table. Great to be part of the group.

SPRING IS COMING!!

Warning to all passengers please keep your bodies inside the car we do not want this to happen again
