## THE CORAOPOLIS MEMORIAL DAY PARADE & CRUISE BY GEORGE KNISS

**W**ell, last year John Whitmiore and myself provided our Miatas for the vets of the VFW and American Legion in their Coraopolis Memorial Day Parade. This year they have asked us back to provide two cars for the legion, and the VFW has requested that we, as a club, provide whatever number of cars we want. I'm thinking about 6 or 8, but no firm limit. Anyone that is interested please contact me so I can have a count for the parade organizer. It is a huge parade with groups coming in from a number of surrounding communities and it has been celebrated for years. We would meet in downtown Coraopolis at the VFW on Main street at about 11:30. The parade starts at 1 and runs until about 4 or 4:30. We drive about 12 blocks or so and it's a great experience. We help the vets, recognize our fallen soldiers, and get free publicity for our club. After the parade we will all meet in the VFW building (unless you want to leave early) and have lunch and toast the vets, both living and those who have passed. They also have a musical program with a couple of police and university bag pipe bands who perform. It's a great way to celebrate Memorial Day...I hope you can make it.

## BRUNCH AT THE RIVERSIDE INN BY WALLY SWARMER

**S**unday, May 31 we will leave from King's restaurant in Cranberry at 9:30 AM (please arrive at 9:00 AM) for Cambridge Springs, PA, traveling north on RT 19 for the famous Sunday Brunch Buffet at the Riverside Inn. We'll arrive there approximately 11:00 AM. The Riverside Inn ([www.theriversideinn.com](http://www.theriversideinn.com)) was built in 1885 and the owners have maintained its charm over the years. We will enjoy brunch in the Concord Dining Room (men must wear pants, no shorts permitted), then sit and relax for a short while on the giant wrap around porch. It's quite a relaxing setting. Then we will start out for home traveling through Titusville, Emlenton, and Foxburg following the Allegheny river part way working our way Southeast to West Kittanning in search of that ice cream stop that I included on my Runway cruise. From there, RT 28 And RT 422 are easily accessible to get you on your way home. Please email or call if you plan to travel along with us - 724-443-0834 or [wsswarmer@consolidated.net](mailto:wsswarmer@consolidated.net)

Westland, North Strabane, Eighty-Four, Somerset, Ellsworth, Peterman's Hill, Beallsville, Turkey Foot, Deemston, Sandy Plains, Black Hollow Road and arrive at Millsboro for a lunch on the river at Green Cove. Following our private tour of the estate, we will cruise a brief distance to the Route 40 Classic Diner for homemade pie and ice cream(\$3.98.) sundaes (\$3.99) or apple dumplings. ## NEMACOLIN (BOWMAN) CASTLE CRUISE BY MARY JANE AND TOM SERTIK

**M**ark your calendars for the June 6th Nemaocolin(Bowman) Cruise where we will go back in history to the 1700s to see and learn how life was back then. This outstanding stately brick structure with turreted tower and jagged glass topped walls stands proudly as a historic place on the Historic Register. Rumor has that it was sold to the county in 1960 for \$12,000 and then later turned over to the Historic Society. What a buy that was!!!! This home stands high atop a hill overlooking the Monongahela River. The Bowman family is the only family to have lived in this large beautiful home. It has had 3 separate additions over the years and it's definitely a show stopper. The lovely antiques in the home will amaze you. It has been said that it is haunted!!!!

**F**ollowing the club meeting that morning we will cruise to Washington County through McDonald, Hickory,

## TOPLESS in the MOUNTAINS - XV BY STEVE LAPP

**T**opless in the Mountains XV will be from Saturday, September 5 to Monday, September 7. This is an event sponsored by the Trillium Club from Canada with an invitation to WPMC. As always, this event is about one thing - DRIVING. Over the course of two days, expect to take your Miata over 500 miles on some of the best roads West Virginia has to offer.

**T**he policy for this year's event has changed to insure the groups are kept at a manageable size. The maximum number of cars is 30 with a maximum group size of 7. As a result, the total number of cars will depend on how many leads volunteer for the event. Trillium has requested one lead from West Penn. While I've volunteered for that position, it's contingent on a navigator joining me. If you are interested in this event, please consider leading a group. If WPMC supplies no leads, we will all be put on a waiting list with spaces determined by how many leads are eventually found. Priority on the waiting list is determined by when your registration is received by Trillium. To sign up for this event:

1. Contact Steve Lapp at [slapp@westpennmiataclub.com](mailto:slapp@westpennmiataclub.com) or 412-366-3388.
2. Steve will send you a registration form which you will complete and send to Bill Olijnyk and Debbie Miller, Trillium leaders for this event.
3. Depending on the lead situation, Bill and Debbie will either put you on the waiting list or give you instructions to book your room.

## 2009 CRUISIN & ZOOMIN SEASON BY LINDA ZIMLIKI

**T**he season has started. For the first cruise we had almost 90 degree weather. A little cooler weather for the second cruise and no rain for either one so let's hope our luck continues. There are some changes to

the schedule. The Tour-Ed Mine Cruise has switched to June 13. McCullough's Cruise "Somerset Local Attractions" is now on Sunday June 21. Take note that this is a Sunday cruise & not Saturday. The July 11 cruise is now called "Out of Fire & Wine Cruise." As per member requests, the club would like the cruise leaders to include the address of the meeting place in your article. Most members have a GPS and they can find the meeting place easier with it.

## REPORT ON COME PLAY IN OUR BACK YARD CRUISE

BY MICHAEL AND JOANN  
SPRAGUE

**D**ownshifting, easing up on the clutch pedal, reading the sign that says "Saltsburg", I ask JoAnn, "Isn't that the place where Wolfgang Amadeus Mozart was born?" "Not so, you silly man", is the answer. "This is the real Saltsburg; the Pennsylvania Saltsburg." So what could be better than driving around the hills of homes and farms south of Route 286 and west of Route 66 to discover things about your own region that you never knew before? Cruising it with the owners, drivers, and passengers of eighteen other Miata MX-5s on the most brilliant spring day in many, many years; that's what's better. At the start, nobody except Linda and Joe knows where the trail will lead. But then again, nobody really even thinks to ask. We all know, veteran members and new, gathering and chatting, being introduced and reintroduced, that an excellent day has been planned. Oh, my! Is that a 2009 PRHT in the parking lot of that Wendy's? During our sit-down lunch at the Olde Salt Restaurant, JoAnn and I receive a comment from one of our new members, "This is remarkable how the route was chosen; not a single traffic signal after leaving the Municipality of Murrysville." I'm not sure to say whether this is intentional or coincidental but I immediately agree; it is remarkable.

**S**lickville and Saltsburg are both along the route of the still-active Norfolk Southern Railroad. We see the tracks on our left, then on our right, passing over and under them many times. MX-5s are not made for going in straight lines. This is part of the world where people see you passing by and are sure to wave. Mannitto Golf Club passes us by; go slow while the golf carts are crossing. A pause at Loyalhanna Dam refreshes and brings memories of days spent fishing on lakes and reservoirs we know we are going back to see again. Going back to see more is a notion that arises often during a cruise.

**H**ave we forgotten how to steer into the turns or the feel of just-in-time acceleration as we climb a hill. Apparently not. These are just as exhilarating and even better than we remember from last year's cruising season. And Dairy Queen to make a nice topping for it all. What an excellent start-up cruise in and around Linda and Joe Zimliki's "back yard." Portends of another great year.

## REPORT ON CRUIS'N AND GROOV'N WITH NO TIME FORE SHOOSIN

BY VERA DEMATTEIS

**W**ith 14 Miatas in tow we left Zelienople heading North under partly sunny skies. The Miata roads were great through the country with the usual up, down and around curves. Our first stop was in Volant, PA, where we visited some neat little shops and the Volant Mill. Then off to our next stop going through Mercer, the county seat of Mercer County on to Franklin PA for our lunch stop. We all had a great lunch at Leonardo's Restaurant. Then we were to do some more driving through the mountains with beautiful scenery. Our next stop was, you guessed it, ice cream. Much to our surprise, as we pulled into the parking lot of the Hit or Miss ice cream shop that it had burned down a couple days before. The remark was made that this had been the first time plans were made and it was no longer there. We did find another place for the ice cream. After everyone enjoyed their dessert it was off again through the hills ending at the

Clearview Mall. A wonderful time was had by all. Thank you Doug and Candace McPheron!

Our West Penn Miata Club is hosting the regional event next year, June 24-27th 2010 at Seven Springs in Somerset, PA. Things are moving forward in the planning and preparation. If you would like to help out with this event get in touch with our Event Coordinator, Linda Zimliki and let her know you are available.

If you haven't paid your dues yet, May 15th is the deadline. Don't forget!

## CRUIS'n WITH JIM BY PRESIDENT JIM PFEIFFER

Well here it is May already and cruising season is well under way with two cruises completed. If you haven't been on a cruise yet, and are planning to attend, contact the cruise leader to get your name on the list. All the cruises have deadlines for sign up and some have car limits. The next cruise is May 9th; the deadline for sign up was May 1st. This is a West Virginia cruise and these cruises are great. West Virginia has some great back roads. If you are interested give the cruise leader a call. Sometimes they can squeeze you in. In addition to the West Virginia cruise, we have a cruise scheduled for every weekend in May, including a Memorial Day Parade.

Our April board meeting went well and we covered quite a few topics. Our next meeting is scheduled for Saturday, June 6th at 10:00 at Moon Mazda followed by the Nemaocolin Castle cruise at 11:00 am. If you arrive early, come join us at the meeting.

The Beaver Run Motorsports Complex is having a Carfest on June 13th and 14th with over 200 car clubs attending. They would like our West Penn Miata Club to be represented. More information is in this newsletter regarding the CarFest.

For all members, both new and existing, keep our West Penn Miata Club Company Store in mind. There are a lot of nice things available to purchase; i.e., caps, visors, polo shirts, denim shirts, pins, stickers, etc. The nice thing about the shirts and the caps is they can be personalized with your Miata and the year of your Miata embroidered on them. That makes it special. Go to: [www.westpennmiataclub.com](http://www.westpennmiataclub.com) and click on WPMC Store.

I can't wait to drive the real thing.
